Good morning Mr Wiggins,
I just wanted to touch base and check to make sure you received the picture of the benches we would like installed at Connecticut Farms. Of course weather permitting and your schedule. Thank you again Annunciata

All donations must be board approved please forward a description of the benches and if possible a picture and I will bring it before the board the next committee meeting. I am sure it will not be an issue. In addition it is too cold at present to pour footings for them so as soon as we get board approval and the weather breaks I will schedule. Thank You Tom Wiggins
