August

All district employees attended an Anti-Bullying training session and policy update session on the Student Bill of Rights. Substitute teachers and personnel are required to view the district video on

September

Ongoing - All district students receive instruction on topics related to anti-bullying, tolerance and respect

Building Anti-Bullying Specialists receive training and information on the Anti-Bill Program, Student Bill of Rights, investigation process/procedures and updates to the bill and NJDOE requirements.

HIB specialist visited all grade level classes and addressed the Anti- Bullying Bill of Rights as well as the process for reporting incidents of harassment, intimidation and bullying.

On going – Teachers received anti-bullying lessons during faculty meeting and present to students throughout the month. Time is set aside in each building for the presentation of the lesson with a specific theme as outlined in the district approved curriculum on Anti Bullying. Ongoing presentations on tolerance and understanding of others are presented at age appropriate levels to all district students throughout the school year. Various assemblies and building topics are addressed through student displays (anti bullying pledge tied together against bullying).

Parent Presentation on the Student Bill of Rights and the process/procedures for reporting incidents of HIB and appealing decisions. Information presented on the student code of conduct and Union Board of Education policy updates. Two presentations were held; 1st HIB presentation was at 9 am and the second HIB presentation was in the evening at 7pm.

Ongoing – Counseling Sessions consisting of one on one, group, small group, social skills, peer mediation, tolerance as well as any group or session necessary per the reports of the Anti-Bullying Specialist, school counselor or building safety team.
