Union High School  
2350 N 3<sup>rd</sup> St Union, NJ 07803

Dear Ms. Minneci,

On behalf of Nadine James, from the department of Special Education and Literacy at Kean University, and the Township's Americans with Disability Act Committee (ADA), I would like to request that Jefferson School hosts a special assembly in support of Autism Awareness Month on May 8<sup>th</sup>, 2019.

I have discussed the matter with Ms. James and the Kean University Graduate and Post Graduate level students enrolled in Applied Behavioral Analysis Program. They would like to conduct a presentation to our youth at Jefferson School. The presentation will include but not be limited to, understanding Autism, learning how to interact with people with special needs in the community and de-bunking myths surrounding autism.

Kindly respond as soon as possible so that the Special Education and Literacy Department and the Township's ADA Committee can coordinate with Jefferson School and any other necessary agents.

Thank you for your attention to this matter.

Sincerely,

Michele Delisfort  
Township of Union Mayor
