Simple Statement Regarding club/organization

Opportunity for students to explore culinary roots across different cultures and appreciate food as an art

Summary: (Summarize how the club/organization will operate, and the target membership.)

The club members will meet once a week and engage in various educational activities such as direct exploring and testing recipes across different cultures.

Our club will be open to students of all grade levels

Goals: (What are the intended goals and objectives of the club/organization? How does the club/organization support Union High School's mission? What will students learn from the club/organization? What fundraisers is this club/organization planning to organize?)

We hope to provide an environment for students to be creative, interact with each other, learn about the culinary arts, appreciate different cultures and have fun.

Our club will support our school's mission by helping students to create friendships, respect different cultures and challenge themselves to learn various culinary skills while having fun.

We would like to have fundraising activities to purchase necessary equipment for our club and to give back to the community, where necessary.

Conclusion:

We would like to facilitate and encourage a community that provides students with a fun and creative outlet while developing leadership, cooperation, and basic cooking skills.
