

CROSSROADS
Christian Fellowship

October 6, 2021

To the Union Board of Education Board,

Crossroads Christian Fellowship has been located on Morris Avenue in Union since the mid 1950's. I have pastored this church since 1985, and am a product of the Union School system, even teaching math at Union High School in the early 80's.

Crossroads has been renting the Battle Hill School Gym during the months of January, February and March since 1985. We have used the gym for a basketball program offered at our church.

I am writing to ask the board to consider waiving the rental fees for our upcoming volleyball/basketball program in 2022. We are scheduled to use the gym from 7:00pm-9:30pm every Thursday beginning Thursday, January 6, 2022 through Thursday April 7, 2022. We will provide our own insurance, as we have done in the past.

I appreciate your consideration for this request.
