Reportable and shall respond to directives and inquiries on a routine basis to the School Business Administrator, but shall also respond to the directives and inquiries of the CSA and Assistant Superintendents.

Coordinate and communicate with Supervisor of Building and Grounds.

PERFORMANCE RESPONSIBILITIES: (INCLUDING, BUT NOT LIMITED TO THE FOLLOWING)

1. On a full-time basis -conduct on-site observations and comprehensive checks of work in progress as a basis for determining conformance of work, material and equipment with the Contract Documents.
2. Serve as liaison between the Contractor (through the Contractor's job superintendent), the School District and the Architect, and maintain a professional relationship with the Contractor and all Subcontractors on the job.
3. Oversee all in-house construction jobs.
4. Protect School District personnel from issuing instructions to the Contractors or employees.
5. Ensure tests, which are required, by the Contract Documents or Government regulations are appropriately performed and observed. Record and report to the Architect all details relative to the test procedures.
6. Maintain, at the jobsite, orderly files for correspondence, reports of Project Meetings, and documents, including all Addenda, Change Orders, payrolls, additional drawings issued subsequent to the award of Contract, and all other pertinent information.
7. Keep a daily diary or log book recording hours on the jobsite, weather conditions, list of visiting officials and jurisdiction, daily activities, decisions, observations in general, and specific observations in more detail as in the case of observing test procedures.
8. Develop and maintain records assuring that all individuals on the construction site have obtained proper background checks and clearances as required by SDA – School Development Authority.
9. Advise the Contractors against the installation of any materials and equipment for which Shop Drawings are required unless such Drawings have been duly approved and issued by the Architect.
10. Do not authorize deviations from the Contract Documents. Do not conduct any test personally. Do not enter into the area of responsibility of the Contractor's field superintendent. Do not expedite work for the Contractor. Do not advise or issue direction relative to any aspect of the building technique or sequence, unless a specific technique or sequence is called for in the Specification. Do not approve Shop Drawings or samples.
11. Report any variances, conflicts or potential problems to the Architect or School District immediately.

UNION TOWNSHIP PUBLIC SCHOOLS

District Capital Projects Manager

12. Perform other functions as required or requested by the School District or Architect as set forth in the Clerk of the Works Service Agreement.
13. Consider and evaluate suggestions or modifications which may be submitted by the Contractor to the Architect, and report them with recommendations to the Architect for final decision.
14. Be alert to the completion date and to conditions, which may cause delay in completions, and report it to the Architect.
15. Attend all school board meetings and required conferences held on or off the jobsite, and report all results to the School District.
16. Maintain required payroll information and records.
17. Assist the Contractor's superintendent to understand the intent of the Contract Documents. Obtain from the Architect additional details or information if, and when, required at the jobsite for proper execution of the work.
18. Accompany Local, State, or Federal inspectors through the Project, record the outcome of these visits, and report it to the Architect and the School District.
19. Receive samples which are required to be furnished at the jobsite, record date received and from whom, notify the Architect of their readiness for examination, record Architect's approval or rejection, and maintain custody of approved samples.
20. Record names, address, and telephone numbers of all Contractors and Subcontractors.
21. If the School District occupies (to any degree) the building prior to actual completion of the work by the Contractor, be especially alert to the possibilities of claims for damage to completed work prior to the acceptance of the building.
22. During the course of the work collect guarantees, certificates and maintenance operation manuals; and at the acceptance of the Project, assemble this material and deliver it to the Architect for forwarding to the School District.
23. Review all Requisitions for Payment from Contractors.
24. Coordinate and comply with directives of the School District Superintendent on phasing of the Project for work at night, on weekends and/or holidays.
25. Comply with directives of the Superintendent of the School District for recording of the construction progress.
