Hello Mr. Tatum,

SPAN has reached out to Union SEPAG looking for a school district (SEPAG) to collaborate with hosting the Transition mini-conference. SPAN provides the training for parents around many aspects of the transition to the adult life process and there is a youth session as well. We would also like to have a Spanish session as part of it. We would need 3 classrooms at a school on a Saturday sometime in April and here are the dates I have open. April 11th and April 25th.

We think this is something that our district would benefit from please advise your thoughts. Your immediate attention upon this request is highly appreciated. SPAN is looking for an answer before the break.

Thank you,

Chastity M. Santana
