Ginger, Can you confirm that the date and time are good for the Township's Black History Month program?

Diane, Let's discuss adding this to the January 23, 2024 Agenda tomorrow.

Hi Gerry, just a follow-up to our discussion on 1/15. The Human Relations Committee chaired by Reverend Wright is planning a Black History Month event in February for the Township of Union.

The Committee would like to have the event at Jefferson Middle School. The date is Saturday, February 17th, 2024 between 11am and 5pm. Please advise of the availability for Jefferson Middle School for this event. We are working with a very short planning timeline and would greatly appreciate hearing back as soon as possible. Thank you.

Regards,

Jim Bowser
