Public Schools

Dr. Taylor I would like to formally request the donation for the use of two district school transportation busses and two drivers for an nine hour period (7:00am-4:00pm) on July 12th, 2023. The purpose of the transportation would be to transport the participants of our 2023 Junior Police Academy Program to a destination in Point Pleasant NJ.

The goal of this program is to build a strong working relationship with the youth of Union and Law Enforcement. The participants of this program are students of the Union Public School system, and as in the past we accept the graduating class of Jefferson School for this program. I would like to thank you and the Board of Education for your anticipated cooperation in this matter.

Respectfully,

Sergeant Michael Loguidice
Twp. of Union Police Dept.
