Dear Mr. Brennan:

Enclosed are two copies of the Nonpublic School Additional Funding Security Aid Agreements for the following participating school in your district: Holy Spirit.

These agreements contain: a written statement verifying that the required conference with the Nonpublic School Administrator was held, and a description of how the security will be provided to the nonpublic school. **Kindly have these agreements approved at your next Board of Education meeting** by including the following motion on your agenda: **"Motion to approve the Nonpublic School Additional Funding Security Aid Program Agreements for the participating school located within this district."** (Note: You have previously had your Board approve UCESC to administer the Nonpublic School Security Aid Program for your district.)

A copy of the minutes showing your Board's approval of these agreements along with a copy of the agreement(s) must be mailed to the Union County Educational Services Commission immediately following your board meeting. The Commission cannot process the purchase orders until we receive the approval from your district. Retain one copy for your records. The Commission will forward a copy to the nonpublic schools and the County Superintendent. A self-addressed envelope for the UCESC is enclosed for your convenience.

Thank you for your attention in this matter.

Sincerely,

STATE OF NEW JERSEY

DEPARTMENT OF EDUCATION

A Memo from the New Jersey Department of Education

Date: January 25, 2019
To: Chief School Administrators
Route to: School Business Administrators
From: Cindy Lee, Director
State Aid Entitlements and Payments
Division of Finance

Supplemental Appropriation for Fiscal Year 2019 Nonpublic Security Aid

The Governor signed into law on January 8, 2019 a supplemental appropriation of \$11,300,000 to increase per pupil funding for nonpublic security aid from \$75 to \$150. *The funds are to be spent in FY2019.* Revised district Nonpublic Security Aid Entitlement Notices will be available on or about January 24 through the "School Aid Payments and Notices" link on the New Jersey Department of Education's (NJDOE) Homeroom webpage. The funds will be made available to the districts before the end of the current month.

The entitlement notice for each nonpublic school in your district is also available on this website. Please distribute each notice to the appropriate nonpublic school; the NJDOE does not mail the entitlement notices to the nonpublic schools.

Given the tight timeline for expending the funds, we request that districts notify your nonpublic schools within a week of this notice, and work in a timely fashion with your nonpublic school administrators to agree on the security services, equipment, and technology to be provided, and process and get board approval of the requests prior to the end of the fiscal year. Acceptable uses of funds can be found in the Nonpublic Security Program Guidelines.

If you have unutilized entitlement funds remaining at the end of the year, these will be collected through a state aid payment deduction after you have completed the FY 2019 Nonpublic Project Completion Report (NPCR).

Please send questions regarding the entitlements to Amrita Nidhi at nonpublic.aid@doe.nj.gov
