Superintendent Gerry Benaquista
Township of Union Public Schools
2369 Morris Avenue
Union, NJ 07083

Dear Superintendent Benaquista,

My name is Natalie DaSilva, I am the Public Information Officer for the Township of Union. I am writing to request the use of the parking lots for event patrons at Hannah Caldwell School and Union High School/Cooke Drive on Saturday, May 8th for the Township's Annual "Food Truck Fest & Inflatable Village" event. We would need access to the parking lot from approximately 1:00pm until 7:30pm. The event will mainly consist of a food truck festival and inflatables, held at Rabkin Park & Field, and will comply with statewide restrictions and best practices related to Covid-19.

On behalf of the Township Committee, I would like to thank you for your consideration and assistance as we offer this great community event. If you have any questions, please contact me at publicinfo@uniontownship.com or 908.851.5465.

Sincerely,

Natalie DaSilva
