ARTICLE III
Grievance Procedure

3.01 Definitions:

1. The term "grievance" means a complaint by any administrator or group of administrators that as to them, there has been an inequitable, improper or unjust application, interpretation, or violation of this agreement.
2. It is understood that the following shall not be the subject of arbitration and shall not be within the definition of "grievance."

3.01.2 The term "representative" shall include any organization, agency, or person authorized or designated by any administrator or group of administrators or by the Association, or by the Board, to act on its or their behalf and to represent it or them.

- 3.04** In the event a grievance cannot be resolved by the end of the school term, the necessary procedure may be extended throughout the summer months if agreed to by the parties. The same amount of time as put forth under Level Two shall be adhered to.
- 3.05** Grievance Procedure – Level One
- 3.05.1** An administrator with a grievance shall first discuss it with the immediate supervisor either personally or at his/her option through or with the Association’s designated representative with the objective of resolving the matter informally. The Board may have a representative of its own choice present at this level.
- 3.05.2** Nothing herein contained shall be construed as limiting the rights of any administrator having a grievance to discuss the matter informally with any appropriate member of the administration, and having the grievance adjusted without intervention of the Association (during the informal stage) provided the adjustment is not inconsistent with the terms of this agreement and that the Association has been given the opportunity to be present at such adjustment and to state its views. If the adjustment is inconsistent with the terms of the agreement, then the Association must be given the opportunity to be present and to state its views at a subsequent meeting.

Such assignments may be changed by the Board after June 30 where circumstances warrant a change. The Superintendent shall advise the administrator(s) involved of the change.

8.02 Administrators desiring transfers shall forward their requests in writing to the Superintendent on or before March 1. Each request, if determined to be in the best interest of the school system, will be implemented as soon as reasonable at the discretion of the Board.

- 9.02** The Association agrees that the content or subject matter of evaluation or observation reports is not subject to the grievance procedure contained in Article III.

ARTICLE X
Sabbatical Leave for Administrators

- 10.1** Sabbatical Leave for an administrator may only be granted by a recorded majority roll call vote of the Board of Education at a public meeting. Sabbatical Leaves may be granted for the following purposes:
- 10.01.1** Study
- 10.01.2** Health
- 10.02** The maximum percent of base salary allowed during Sabbatical Leave for each category shall be as follows:
- 10.02.1** Study – Seventy percent (70%) of contracted annual salary.
- 10.02.2** Health – Sixty percent (60%) of contracted annual salary.
- 10.03** Sabbatical Leave is normally to be granted for a minimum of one (1) year. Such leave may be granted for one-half (1/2) year when feasible. Request for leave must be made not later than January 1 prior to the school year of leave.
- 10.04** The number of people to be granted Sabbatical Leave in any one school year shall not exceed two administrators.
- 10.05** No Sabbatical Leave may commence until an administrator has been twelve (12) years in the employ of the Union Township Board of Education except that if the Sabbatical Leave is for the purpose of study, it may commence after seven (7) years of employment with the Board. A second leave may be granted after twelve (12) additional years of service. Employees having completed twenty-five (25)

years of service in Union, and never having been granted a Sabbatical Leave may, upon completion of their first leave, be granted a second leave but a five (5) year interval must occur between Sabbatical Leaves. Example: An administrator granted a Sabbatical Leave after twenty-five (25) years of service would be eligible for a second Sabbatical Leave after his/her thirtieth year of service exclusive of the first sabbatical year.

10.06 The following restrictions will govern Sabbatical Leaves:

10.06.1 Preference will be given to seniority based on service with the Board.

10.06.2 Assurance is given that the administrator will be returned by the Board to a comparable position at the conclusion of the leave. Provisions of Article VIII will apply to administrators on Sabbatical Leave.

10.06.3 No employee on Sabbatical Leave shall be gainfully employed during the leave without the previous consent of the Superintendent.

10.06.4 Administrators securing leave will agree to return to the employ of the Union Township Board of Education at the expiration of the leave. Upon expiration of the leave, the administrator must return to the Board for full employment for at least two (2) years. Failure to do so will make it necessary to return to the Board the total salary paid during the year of leave. If a serious illness arises to the administrator while on Sabbatical Leave or upon return to the school system, the requirement of return to the employ of the Union Township Board of Education at the expiration of the leave for a minimum of two (2) years shall be waived as well as the requirement for refund of salary paid while on Sabbatical Leave after the serious illness has been confirmed by a committee of three (3) physicians (2 school and 1 personal). When the same committee of three (3) physicians determines that the administrator has sufficiently recovered, the administrator shall then return to duty.

10.06.5 Persons on Sabbatical Leave shall not be eligible for tuition reimbursement provided for in this agreement during the time such person is on Sabbatical Leave.

10.07 The following are the agreed definitions of "study" and "health" for the purposes of this Sabbatical Leave Article.

10.07.1 Study: The administrator must be in an educational institution engaged in a program of study which is constituted of a minimum of twelve (12) graduate credit hours for a one-half (1/2) year sabbatical leave or a minimum of twenty-four (24) graduate credit hours for a one (1) year sabbatical leave. Such credit hours shall be in education or related education, in an accredited college or university, which program of study is in furtherance of the administrator's professional education.

10.07.2 Health: An administrator may be granted a leave for health only upon medical proof that the administrator is in need of such leave for health reasons. Prior to granting the leave, the Superintendent or authorized designee shall have the opportunity to have the applicant examined by doctors chosen by the Board at the Board's expense. The Superintendent shall rely upon all medical evidence available in making a determination whether to grant such a leave. The time limit in 10.03 of this Article may be waived in an emergency.

10.08 When an administrator is granted a Sabbatical Leave by the Board, the administrator will enter into a formal written agreement with the Board. The Agreement shall state the beginning and ending dates of the leave, the reasons for the leave, and that the administrator will return to full employment with the Board for a period of at least two (2) years immediately upon the expiration of the leave. The Agreement shall further state that in the event the administrator fails to immediately return to employment and continue such employment for at least two (2) years, then the administrator shall reimburse to the Board the total salary and other benefits, if any, paid by the Board for the period of leave.

ARTICLE XI

Absences from Duty

11.01 All eleven (11) month administrators employed by the Board of Education shall be eligible for sick leave with full pay for eleven (11) school days and all eleven (11) month administrators' full pay for eleven (11) school days in any school year. All twelve (12) month administrators employed by the Board of Education shall be eligible for sick leave with full pay for twelve (12) school days in any school year. If any administrator utilizes in any school year fewer than the specified number of days of sick leave allowed with pay, all unused sick days shall be cumulative, to be used for additional sick leave as may be necessary in subsequent years of active service with the Board.

11.01.1 Sick leave is hereby defined to mean the absence from his/her post of duty of any such person because of personal disability due to illness or injury or because he/she has been excluded from school by the school district's medical authorities on account of a contagious disease or of being quarantined for such disease in his/her immediate household.

11.02 Absences because of contagious diseases (as defined in N.J.S. 18A:30-1) contracted through a school source related to employment in the district shall not be charged against accumulated sick days.

11.03 If the administrator remains on the job after his/her one-half (1/2) day work schedule, then leaves because of illness, there shall be no sick day charge. If the administrator leaves his/her job, because of illness, prior to his/her one-half (1/2) day schedule, one-half (1/2) day shall be charged to sick leave.

11.04 Administrators absent for personal illness for more days than they are allowed under Article 11.01 shall be subject to a deduction of a full day's pay for each day's absence, unless the Board upon the recommendation of the Superintendent grants additional personal illness days.

EXTENDED SICK LEAVE

11.05 Any employee who becomes temporarily disabled may apply to the Board of Education for a leave of absence and shall be granted that leave at a mutually agreed upon time continuing to a specific date. A disabled employee may be relieved from duties if his/her performance has noticeably declined or he/she cannot produce a certification from his/her physician that he/she is medically able to continue performing normal administrative duties.

11.05.1 For the period of disability related to the temporary disability, the employee may elect to use accumulated sick leave and return to employment after the period of disability ends.

11.06 In order to receive sick leave pay, the employee seeking same must submit a medical certificate that is in accordance with N.J.S. 18A:30-4, which certificate must specifically attest to the condition as "disabling," and specifically state when the disability began and ended.

11.06.1 In the event that there is any dispute as to whether (a) there is a disabling medical condition; (b) the time such condition began or ended, then the Board shall have the right to require a medical examination and evaluation to determine whether there is or was a disabling condition and when it began and ended. Such examination shall be conducted by a physician selected by the employee from a panel of at least three (3) physicians named by the Board. The cost, if any, of any examination required by the Board shall be at Board expense.

11.06.2 In the event of a disagreement as to either (a) the existence of a medical disability, or (b) the time it began or ended, then the Board and the employee shall agree upon a third doctor, who shall examine and evaluate the employee to determine whether there was a disability and the time it began and ended. The opinion of the third physician shall be binding upon the parties.

11.06.3 In the event the parties cannot agree who the independent physician should be, the selection of an independent physician shall be made by reference to arbitration.

11.07 The date of return may be extended for an additional reasonable period of time at the employee's request for reasons associated with the disability or for other proper cause, but the Board need not extend the leave of absence of a nontenured employee beyond the end of the contract school year in which the

leave was granted. An employee may not be barred from returning except for lack of sufficient medical evidence of capability or because of failure to specify a date of return.

DEATH IN THE IMMEDIATE FAMILY

- 11.08** In each school year, an administrator shall be granted up to five (5) school days absence out of seven (7) consecutive days for each death in the immediate family, or because of death in the immediate family of spouse, without loss of salary. Those days shall not accumulate from year to year. The term "immediate" means wife, husband, grandchildren, parents, children, grandparents, brothers and sisters of the administrator, mothers-in-law, fathers-in-law, brothers-in-law, sisters-in-law, sons-in-law, daughters-in-law and permanent members of the household equivalent to the above of the employee.

MILITARY SERVICE

- 11.09** Where applicable, each administrator shall enjoy and be entitled to all the provisions of New Jersey and Federal laws concerning service in the military service of the State of New Jersey or the United States of America.

PERSONAL DAYS

- 11.10** All eleven (11) month and eleven (11) month administrators may be absent up to a total of six (6) personal days, and twelve (12) month administrators may be absent up to a total of six (6) in any one school year without loss of salary.
