Mr. Tatum,

Please accept a donation of school supplies from The Union County American Legion Ladies Auxiliary and Units # 328 and 3. Please distribute them however you see fit. We have been donating supplies to local schools for several years now. During these difficult times, I am sure there are families out there that need this more than ever. This year we tailored the supplies to assist with distance learning. We added earbuds and timers to help keep the students focused.

Post # 328 is known as the "Children and Youth" post. We pride our selves on giving back where we can.

Sincerely,

Tammi Angelo

President, Ladies Auxiliary Unit # 328
