Mr. Tom Wiggins
Maintenance Supervisor
Township of Union Public School District
2369 Morris Ave.
Union, NJ 07083

Dear Mr. Wiggins:

We are once again asking for your assistance with our firefighter recruits. As in the past, it would be highly beneficial if we could use Hamilton School for training purposes. We are looking to utilize the facility from September 1st through the end of December.

Please advise if the above meets with your approval.

Sincerely,

Thomas Byrne
Fire Chief
